Taylor was wonderful! She went to our AirBnB while we were at our wedding and really helped me be able to relax knowing the dogs were taken care of so I could enjoy our day.

Taylor was incredibly professional from start to finish. She even jumped on a FaceTime call with me beforehand and asked thoughtful questions about Merlin's allergies and the details of each visit to make sure everything was done perfectly. It was very clear she took the time to really know Merlin, including his behavior, personality, and specific needs, which gave me a lot of peace of mind. During the visit, she was extremely attentive and kept me informed about how Merlin was doing. She cleaned up any messes he made and sent me a ton of photos along with a video, which I really appreciated. I felt completely confident knowing he was in great hands. I would absolutely recommend Taylor and will definitely be having her come by again.

Taylor did a fantastic job watching my two cats! They are afraid of everything and everyone they aren't familiar with. She was able to get one to come out from under the bed and even get close to her! Pictures and videos were sent daily. I cannot recommend her enough, and I will definitely ask for her again!

This was our second time having Taylor stay with our 2 cats for a weekend and it was flawless again! She is so caring and sweet with our girls and shares awesome updates, pictures, and videos. She even brought in our packages and delivered some to our neighbors that came to us by accident. She is super accommodating and sweet. 10/10!

Taylor arrived and immediately calmed our anxious doodle. We appreciated how she kept in touch, sending videos and photos of our dog's progress during her stay. Taylor is conscientious and thoughtful. She goes the extra mile to make sure your pet is comfortable. Her warm personality and strong sense for our dog's well-being made her a perfect fit for us. Taylor is more than just a dog-sitter; she's truly an excellent care-giver.

Taylor is absolutely amazing! Both of my cats warmed up to her instantly and gave her love and cuddles, even my more timid girl. She shared amazing detailed updates and plenty of pictures and videos which kept my mind at ease while I was away! We will 100000% be using Taylor again and could not recommend her more. 😊

Taylor took great care of my pup while our regular sitter was out of town. She understood my dogs silly, timid personality and was very patient with him! I look forward to booking her again in the future :)

TAYLOR IS A GOD SEND! I could go on and on about what an authentic, smart and nurturing person she very clearly is. I mean it quite literally that you could not find better care for your fur child. Taylor is kind to her core and smart as a whip and anyone would be lucky to have their pet in her care. 🍷❤️
